

Secretaries Report, October 21st, 2008

We held the October Meeting on the air.

1. The Secretaries Report was read and accepted.
2. The treasurer's report was not fully read due to privacy concerns and was simplified to "we have money and the bills are being paid". we have 87 active members.
3. John Goran mentioned that he would like to do a meeting like this once per quarter.
4. Carol Inman, KB1KDX read the bulletins for us.
5. Jerry Hume, K1WTX gave us a skywarn report.
6. Lee brought the concept up investing in a program to facilitate better use of our membership lists. We had a lengthy discussion about it and agreed that open office would probably be our best choice. We will start an E-Mail round table and start working on the problem.
7. Lee brought up a new problem. Our tower climber does not happen to be bonded. After a lengthy discussion, we determined that we need to research the various legal implications and confer with other clubs on sharing the expense.
8. Lee thanked the club for support during his presidency.
9. We will have our next meeting on November 15th, the location has yet to be decided so keep an ear out on the air

And with that, we concluded the Yankee Clubs first meeting on the air
